

NOR-FLEX EXPANSION JOINT FILLERS

STABLE.
NON-ABSORBENT.
LIGHTWEIGHT.

Which make **Nor-Flex Expansion Joint Fillers** ideal for smaller residential, industrial and commercial projects.

Manufactured with closed cell polyethylene foam, the fillers are customizable with standard sizes pre-scored for uniform cavity sealing of expansion, contraction or isolation joints. They are also practical for both straight and curved applications.

Material is grey and contains recycled content. Each roll has a 1/2" removeable tear strip.

Nor-Flex Expansion Joint Fillers are **GEAR2PERFORM**.
